Dear Parent/ Carers,

I thought that it might be nice to put together every so often some of our special `Mabe Moments`. We are really pleased with how our new curriculum is developing and the exciting wider opportunities that we are now able to offer. We would like to share some of these with you as lots of fun and exciting learning is happening!

Thank you Mrs Jenkin – Headteacher.

Our KS2 School council members took part in their first ever zoom call with the children in Uganda that we sponsor through edu-kid. They were so grateful for all the money that we have raised.

Upcoming Mabe Moments!

Monday 31st Jan Year 4/5 Puffins

Trip to Porthcurno

Music lessons every Monday for brass and ukulele

Wednesday 2nd Feb – Vision screening for Reception children in Kittiwakes class

Thursday 3rd Feb Year 3&4 Cormorants class – 2nd session of climbing at Granite Planet.

Friday 4th Feb – Number day whole school non-uniform £1 donation dojo for more info

Next week is national story-telling week

All of the children expertly took part in a practice fire drill, everyone left the building in an orderly and efficient manner, we were very proud of them.

Lots more `Mabe Moments` to follow next time!

As part of the Shanghai Dynasty topic in the Puffins year 4/5 class we welcomed a very special visitor from Taiwan called Tzuching. She is currently studying for her PHD and being hosted by one of our Mabe families. We were delighted to meet her and appreciated her coming in to talk about her culture and the Chinese New Year celebrations with the children. Chinese new year starts on the 1st of Feb for 7 days. We hope to have some tasty Chinese dishes on our school menu soon.

The Herons class have received their first emailed letters from their new

pen-pals in Sweden !
